## Summer Academy Policies and Procedures

**Homework:** For credit courses in particular, homework may be assigned from each class meeting. In order to cover the essential concepts of a year-long course, instructors will clearly communicate student expectations in this area.

**Dress Code:** Students must wear their school uniforms to summer school. All other policies regarding personal appearance are governed by the VPA [Dress Code](#). Please click the link and review the policy. Exceptions are noted below:

**NOTE:** *students from other Great Hearts' academies (including those coming from Archway) are welcome to wear their current uniforms but will otherwise be held accountable to Veritas dress code standards.*

*Students new to Great Hearts may opt to [order their uniforms](#) or may wear other clothing that fits with the uniform code (a polo shirt, for example, without the school's crest would be appropriate for summer classes).*

*For studio art classes working with paints and other materials, students are permitted to wear non-uniform modest clothing, in accord with the Athletic Practice and Outdoor Field Day Dress Code in the [VPA Dress Code](#).*

*Alumni are welcome to attend summer courses, upon completing appropriate registration. Dress code for alumni participants, apart from art classes (noted above) is business casual.*

**Snacks** are not provided by the school during the summer; please be sure to send snacks with your child if they need them during the day.

**Pickup & Drop-Off:** For morning classes, students may be dropped off at school as early as 7:45 am, and must be picked up no later than 15 minutes following the end of their registered course(s). Parents should drop off and pick up students at the **south courtyard** for Veritas Prep, at the gates. If a family needs a student to leave class early, a parent/guardian should notify the VPA front office at least 24 hours ahead. Students will not be released from class without parental notification.

**Students with Allergies and/or Medications:** Please be sure to accurately and thoroughly fill out all allergy information using the form in the front office. Please note that you must provide the front office with any medication (clearly labeled with name and instructions) prior to your child attending the first day of their summer school class.

**Behavior:** Students are expected to behave in a manner consistent with the behavioral expectations of Veritas as outlined in the VPA [Family Handbook](#). Please click the link and review the policy. Students removed from a class or activity for disciplinary reasons will jeopardize their continued enrollment in the program as well as their registration fee(s).

**Payment and Refunds:** Contact [Mr. Thoits](#) with questions about scholarships and payments. There is a "Pay Later" option at online checkout: please note that *all payments must be completed no later than one week before the scheduled start of the first class*, or students will not be allowed to attend. Courses may be refunded for any reason up to one week before the scheduled start of the first class. Refunds requested after the start of a course are not guaranteed and may be pro-rated.
